

## Your Help is Needed

As we prepare for St. Luke the Evangelist Catholic Church's Golden Jubilee Gala on October 11, 2025, we will be recognizing the elders of our parish who continue to be active parishioners and are still with us today. Elder members are those who were parishioners from the very beginning, when the parish was still meeting at Thompson Intermediate, as well as those who were parishioners in 1975.

We need your help to ensure our list of elders is accurate. If you believe anyone has been omitted or listed in error, please submit any corrections or additions to Lupe Saiz at [development@stlukescatholic.com](mailto:development@stlukescatholic.com) by 5:00 PM, April 30th. All submissions will be carefully reviewed before any changes are made.

Thank you so much for your assistance in making this a meaningful celebration!
