

Examination of Conscience

- Do I use God's name with respect?
- Do I show my love for God and others in some way?
- Do I usually say my daily prayers?
- Do I always obey my mother & father?
- Was I kind to those around me or was I mean?
- Was I fair in the way that I played and worked with others?
- Do I share my things with others?
- Did I avoid taking what belongs to someone else?
- Do I take care of my stuff & the stuff that belongs to other people?
- Have I hurt others by calling them names or telling lies about them?
- Do I go to Mass on a regular basis and take part in the celebration?
